# Sargeant X Comrade

Pioneers of Lo Fi Soul

## BIO:

**Yolanda Sargeant** is the Queen of Lo-Fi Soul. A genre that she and her producer **Comrade** (Evgeniy) pioneered after not being able to find an appropriate label that fits their eclectic style. The duo infuses jazz, soul, funk, dancehall, hip-hop, as well as other genres into a unique sound that combines the old with the new. Sargeant's rich vocals take centre stage while Comrade's production takes you on a multi-layered, genre-bending journey from beginning to end. Add some high-profile musicians and features in the mix and you have the **Sargeant X Comrade** rich formula for their own unique brand of music which has earned them multiple awards and high praise from fans as well as the music industry.
